An authority with either gross income or gross expenditure exceeding £25,000 or an authority with neither income nor expenditure exceeding £25,000, but which is unable to certify itself as exempt, or is requesting a limited assurance review, **must** return to the external auditor by email or post (not both) **no later than 30 June 2021.** Reminder letters will incur a charge of £40 +VAT:

Publication Requirements

Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website/webpage:

Before 1 July 2021 authorities must publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited;
- Section 1 Annual Governance Statement 2020/21, approved and signed, page 4
- Section 2 Accounting Statements 2020/21, approved and signed, page 5

Not later than 30 September 2021 authorities must publish:

- · Notice of conclusion of audit
- Section 3 External Auditor Report and Certificate
- Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015.

Guidance notes on completing Part 3 of the Annual Governance and Accountability Return (AGAR) 2020/21

- The authority must comply with Proper Practices in completing Sections 1 and 2 of this AGAR. Proper
 Practices are found in the Practitioners' Guide* which is updated from time to time and contains everything
 needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty), and is properly signed and dated. If the AGAR contains unapproved or unexplained amendments, it may be returned and additional costs will be incurred.
- The authority should receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2021.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order; consider, approve and sign the accounts.
- The RFO is required to commence the public rights period as soon as practical after the date of the AGAR approval.
- Do not send the external auditor any information not specifically requested. However, you must inform your external auditor about any change of Clerk, Responsible Financial Officer or Chairman, and provide relevant authority owned generic email addresses and telephone numbers.
- Make sure that the copy of the bank reconciliation to be sent to your external auditor with the AGAR covers
 all the bank accounts. If the authority holds any short-term investments, note their value on the bank
 reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting
 statements (Section 2, page 5). An explanation must be provided of any difference between Box 7 and
 Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.
- Explain fully significant variances in the accounting statements on page 5. Do not just send a copy of the detailed
 accounting records instead of this explanation. The external auditor wants to know that you understand the
 reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or variances are not fully explained, additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2020) equals the balance brought forward in the current year (Box 1 of 2021).
- The Responsible Financial Officer (RFO), on behalf of the authority, must set the commencement date for the
 exercise of public rights of 30 consecutive working days which must include the first ten working days of July.
- The authority must publish on the authority website/webpage the information required by Regulation 15 (2), Accounts and Audit Regulations 2015, including the period for the exercise of public rights and the name and address of the external auditor before 1 July 2021.

Section 3 – External Auditor's Report and Certificate 2020/21

In respect of

Great Wyrley Parish Council

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a limited assurance review is set out by the National Audit Office (NAO). A limited assurance review is not a full statutory audit, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website -

https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/ .

This authority is responsible for ensuring that its financial management is adequate and effective and that it has

a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with <i>Proper Practices</i> which:
• summarises the accounting records for the year ended 31 March 2021; and
• confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.
2 External auditor's limited assurance opinion 2020/21
Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.
See separate report.
(continue on a separate sheet if required)
Other matters not affecting our opinion which we draw to the attention of the authority:
See separate report.
3 External auditor certificate 2020/21
We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and
Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2021.

1. Introduction

This page is part of Section 3 – External Audit report 2020/21

The following matters have been raised to draw items to the attention of Great Wyrley Parish Council. These matters came to the attention of Mazars LLP during the review of the Annual Governance and Accountability Report (AGAR) for the year ended 31 March 2021. This report must be presented alongside the AGAR to a full meeting of the smaller authority for review.

The review of the annual return may not disclose all shortcomings of the systems as some matters may not have come to the attention of the auditor. For this reason, the matters raised may not be the only ones that exist.

Except for the matters reported below on the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no other matters have come to our attention giving cause for concern that relevant legislative and regulatory requirements have not been met.

There was no evidence of the Council monitoring actual performance against budget during the year as required by Proper Practice and the Council's financial regulations. However, the Council answered yes to assertion 1 of the Annual Governance Statement, indicating that financial management was adequate. There was some reference to the remaining 20/21 budget in the 21/22 budget setting report but financial regulations require the Council to receive a mid-year comparison of income and expenditure to budget with projections for year-end. In future, the Council should receive budget monitoring reports at least twice a year setting out income and expenditure to date and year-end forecast compared to budget for each budget line and minute its consideration.

As reported last year, the Council has not updated its financial regulations since 2012 and some aspects of these regulations such as limiting reimbursements to staff for purchases made on the Council's behalf to petty cash were not complied with in 2020/21. However, the Council answered yes to assertion 2 indicating that internal control was adequate. The Council should update its financial regulations in 2021/22 and ensure that they are fully complied with.

The Accounts and Audit (England) Regulations 2015 and Coronavirus Regulations 2020 required that the 2020 period of public rights covered 30 working days and commenced no later than 1 September 2020 with the public rights notice and unaudited AGAR published on a free to access website throughout the period. This requirement was not met in 2020 but the Council answered yes to the assertion on public rights in the Annual Governance Statement, which refers to arrangements in 2020. Although the Council complied with the requirements in 2021 in future the Council needs to put in place arrangements to ensure that it can meet its statutory obligations in respect of public rights annually and answers no in the following year's Annual Governance Statement where this has not been achieved.

The Council has not fully implemented recommendations made in 2019/20 external audit reports and did not formally consider our 2019/20 report at a council meeting. The Council answered yes to the relevant assertion in the 2020/21 Annual Governance Statement (AGS), claiming it has taken appropriate action in respect of audit reports. However, we have raised above how the Council has still not updated its financial regulations and did not follow our recommendation to answer no to assertion 4 on the 2020/21 AGS. In future, the Council should ensure that the external audit report is formally considered at the next scheduled meeting and appropriate action in response to audit recommendations is taken within a reasonable time.

Mazars 2

Other matters not affecting our opinion which we draw to the attention of the smaller authority:

We were required to return the Annual Governance and Accountability Return to enable the Council to correct the following:

A/ The Council had included VAT in payments at Box 6 rather than taking it to a debtor account until the VAT claim was settled by HMRC. The claim for August 2018 to March 2021 was settled in 2021/22, meaning there was a missing debtor of £36,058 at 31 March 2021 and reserves at Box 7 were significantly higher than stated on the original AGAR;

B/ There were several other errors in accounting for debtors and creditors that when corrected changed the 2019/20 and 2020/21 figures at Boxes 1,3,4, 6 and 7;

C/ The 2020/21 AGAR was prepared from a separately published accounts spreadsheet, which had been incorrectly prepared because some figures had been transposed or copied from the wrong source data and some of the formulas did not work meaning rows or columns did not add up. The corrections changed the 2020/21 Box 3,4,6,7 and 8 figures; and

D/ Fixed assets at Box 9 were understated for both years due to the omission of equipment. The asset register was revised and Box 9 amended to £1,643,127.

In future, the Council should ensure that the Annual Governance and Accountability Return is accurate and complete. Given the extent of errors in the 2020/21 AGAR the Council should review its arrangements for preparing the AGAR and ensure that any information prepared by a consultant is checked for reasonableness and additions before being transferred to the AGAR.

No other matters came to our attention.
